

PUBLIC NOTICE

The Baltimore City Department of Public Works, in coordination with Yorkwood Elementary School is accepting review and comments for a request to issue and Administrative Waiver requirement of the City Code for this School Greening project.

Notice is hereby given that the public is invited to comment on the request by Yorkwood Elementary School for Administrative Waiver to the requirement of City Code which will allow the construction of the project to be governed by the provisions of Division II, as reflected on May 4, 2009. This project is eligible for an Administrative Waiver since it received Preliminary Project Approval on or before May 4, 2010. The Preliminary Project Approval was granted on April 27, 2010. Comments on the request for the Administrative Waiver must be received by 4:30pm on June 21, 2010, to ensure consideration by the Department.

Yorkwood Elementary School is proposing to remove approximately 0.76 acres of impervious area and replacing it with grass and trees. An additional amenity is the installation of a small bioretention facility that will treat the water running off of the rooftops of the portable classrooms.

In order to meet the 2010 Baltimore City SWM Ordinance requirement for the proposed improvement, an Administrative Waiver must be granted by the Department that will

allow the project to proceed in accordance with the stormwater regulations that existed prior to May 4, 2010.
